Dear Ms Williams,

EN010082 – THE TEES COMBINED CYCLE POWER PLANT PROJECT – APPLICANT'S DEADLINE 4 SUBMISSION PART 1 – NON-MATERIAL CHANGE CONSULTATION REPORT

THE PLANNING ACT 2008 (AS AMENDED) AND THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010 (AS AMENDED) – RULE 17

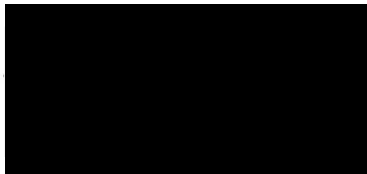

I write on behalf of Sembcorp Utilities (UK) Limited (the 'Applicant') in respect of Deadline 4 of the examination (the 'Examination') into the Tees Combined Cycle Power Plant Project (the 'Project').

At the recent Issue Specific Hearing on Environmental Matters (held on 13 June 2018) it was agreed with the Examining Authority ('ExA') that the Applicant would submit a Consultation Report setting out the consultation that has taken place in respect of the proposed non-material change to the Project in respect of building heights. The Consultation Report (App Doc Ref: 8.40) is enclosed.

Please note that the Applicant intends to submit further information at Deadline 4, including information requested by the ExA at the recent hearings and an updated draft Development Consent Order. The Applicant is submitting the Consultation Report in advance of the other information to avoid any further delay in issuing consultation responses to the ExA.

I would be grateful if you could confirm receipt of this letter.

Yours sincerely

Jake Barnes-Gott BA (Hons) MA MRTPI
