Dear Sir / Madam

We refer to the above application for development consent.

Accordingly, Trinity House requests to submit its written response to the ExA for Deadline 2 in respect of the ExA's first round of Written Questions (ExQ1) as follows:-

ExQ1 SET.1.5

Paragraphs 20.4.26 to 20.5.7 and 20.6.29 to 20.6.41 of ES Chapter 20 [APP-102] and the Navigational Risk Assessment at Appendix 20B [APP-341 to APP-343] set out the marine baseline and risk assessments for marine users.

Identified parties are asked:

- i Whether or not the scope of the assessments is appropriate; and*
- ii If not, what further assessment is required to address any outstanding concerns regarding marine users?*

Trinity House Response

Trinity House confirms that it considers the scope of the risk assessments and the associated data in respect of marine users referenced above to be appropriate.

We trust that this submission is of assistance and would ask that all correspondence regarding this matter is addressed to myself at [REDACTED]

Yours faithfully,
