Dear Mr Harrison,

The Marine Management Organisation (MMO), as the Licensing Authority, has now completed its consideration of your variation request to update Schedule 5 (which is now Schedule 6 as this was incorrectly referenced previously) and to increase the dredge depth and quantity.

After careful consideration of all the evidence submitted to the MMO, notice is hereby given that the MMO varies the marine licence in accordance with section 72(3)(d) of the Marine and Coastal Access Act 2009. This variation has immediate effect from the date of this notice.

Post Consent Returns

Where the conditions of the licence require you to submit returns to us, you must ensure these are submitted in accordance with the timescales set out in the licence and via the Marine Case Management System: http://bit.ly/MMO_MCMS.

You must ensure that you discharge all the conditions of the licence before the licence expires.

Where we are required to carry out post consent monitoring of the licence, including any review or approval that is required, then we may charge you a fee for that work. Where we propose to charge you such a fee we will provide you with an estimated cost before proceeding with consideration of your return.

Fees

Where we do charge a fee, we will invoice you in respect of that fee. We expect full payment to be made for any licence charges **within 28 days** of the date of the invoice we send to you and non-payment of the invoice within the 28 days may result in us suspending or revoking the licence. Our terms and conditions relating to charging can be found here: http://bit.ly/MMO_Terms_and_Conditions.

Variations

Any requests for a variation to this licence should be made **at least 3 months** before change is required or at least 3 months before the licence end date as specified in section 1.3 of the licence. Any request for a variation which does not allow sufficient time for us to fully consider and process the request before the licence expires will be rejected. We cannot vary a licence once the licence end date has passed.

Appealing a decision

In accordance with regulation 3 of The Marine Licensing (Notices Appeals) Regulations 2011, you may appeal the notice of variation to the First-tier Tribunal.
