Northern Powergrid Holdings Company

The position of our equipment is shown on the plan as accurately as possible, it may have changed since the plan was produced. Therefore the position of our equipment and those services which may not be shown should be established on site. Electricity cables not owned by Northern Powergrid Holdings Company may be present. The accuracy of the information shown on this plan should not be relied upon in connection with any excavation nor be regarded as accurate and should be used for guidance purposes only. In all cases, accurate information should be obtained from the owner of such cables prior to the commencement of work on site.

Reference should be made to HSE Guidance
HSG47 Avoiding Danger from Underground Services and ***GS6 Avoiding Danger from Overhead Power Lines***
