Northern Powergrid Holdings Company

The position of our equipment is shown on the plan as accurately as possible, it may have changed since the plan was produced. Therefore the position of our equipment and those services which may not be shown should be established on site. Electricity cables not owned by Northern Powergrid may be present in this area. Before any excavation, you must contact the landowner and all utility companies. This plan should not be regarded as accurate and should be used for guidance purposes only. In all cases, accurate information should be obtained from the owner of such cables prior to the commencement of work on site.

Reference should be made to HSE Guidance
HSG47 Avoiding Danger from Underground Services and *GS6 Avoiding Danger from Overhead Power Lines*
