David,

I have reviewed the submitted documents for both applications and have no concerns.

Subject: Discharge of Condition Applications

Good afternoon

There are two applications out to consultation for the discharge of conditions on two sites within the wider STDC site. The consultation period has only expired today, however we are being chased by Lichfields to progress these to a decision as contractors are waiting to start on the sites. The two applications are R/2020/0799/CD and R/2020/0800/CD. If you are not going to have any comments or objections can you please drop me an email to confirm this to allow us to progress to a decision.

Any questions let me know.

Kind Regards

David Pedlow MRTPI
