

The use of this data by the recipient acts as an agreement of the following statements.
Do not use this data if you do not agree with any of the following statements:
All drawings are based upon site information supplied by third parties and as such their accuracy cannot be guaranteed. All features are approximate and subject to clarification by a qualified topographical survey. Industry service requires and confirmation of the legal boundaries.
The completed version of this drawing should be viewed in DWG or PDF format not DWG or other formats. All parts of this drawing must be made in full colour.
Where this drawing has been based upon Ordnance Survey data, it has been reproduced under the terms of Rights Licence No. 100002164. Reproduction of this drawing in whole or in part is prohibited without the prior permission of Ordnance Survey.
Do not scale the drawings. Use Scaled dimensions in all cases. Check all dimensions on site. Report any discrepancies in writing to Ryder before proceeding.
