Subject: R/2021/0728/PND Objection - FAO Dave Pedlow

Dear Mr Pedlow,

I would like to lodge my objection to the proposal to demolish Dorman Long tower on the grounds that it is an historically significant structure and important remnant of Teesside's industrial heritage.

I note that the **Redcar & Cleveland [Development Plan](#)** outlines the aim to:

aa. safeguard and enhance the significance of buildings, sites, settings and areas of heritage and cultural importance including the 'Dorman Long' tower at South Bank Coke Ovens supporting its adaptation to enable alternative uses.

Best wishes,
Michael.
